Records Topple As Deer Season Opens In District

More than 20 Cited During First Weekend Of Local Hunt

More hunters killed more deer in this district during the opening weekend of the current season than on any previous opening, according to estimates by sportsmen and wardens.

Throughout the area from Sierraville to Tahoe and from the state line to Emigrant Gap good results were reported as thousands of hunters flocked to the area to preempt every available camp site and fill the mountains with the echo of gunfire.

First Deer

While it is difficult to estimate who killed the first legal buck this year, the names of two—Chester Zunino, formerly of Truckee and now of Winton, and Paul S. Graham of Long Beach—were submitted as the most likely. Both had their deer validated before 7 a.m. Zunino killed his four-pointer just north of Truckee and Graham reported he bagged his three-pointer east of here.

Also among the early kills were those made by three high school boys, Tom Dolley, Mike Vieu and Aaron Thomas. The boys, in a group, hunted in the vicinity of Floriston and each bagged a nice buck early opening morning.

Convenient Hunt

Probably the easiest and most convenient deer was the small one brought in by Earl Stice. With Mrs. Stice, the local S. P. agent jeeped to a likely spot, left Mrs. Stice in the vehicle and set out in search of a buck. After a few minutes on the trail, the hunter heard his wife call and returned to find a wounded deer had staggered up to the jeep and dropped in its tracks. The Stices waited for more than a hour for the hunter to claim his kill and then attached their tag and returned home without firing a shot.

Despite the fact that he is still on crutches as the result of an accident several weeks ago, Clarence Osburn was among the first local nimrods to bring down his deer this year. It takes more than a broken leg to keep a good hunter home, Osburn declared.

Many Citations

Seven game wardens assisted local Warden Irv Single in checking the area and their efforts were not in vain as indicated by the fact that more than a score of citations were issued during the first two days of the season.

Seven were cited for failure to tag their deer. They were Harrison Briles of Napa; S. D. Beer, Sacramento; A. H. Kegel, Arcadia; Antone Lema, Napa; David C. Schmidt of Turlock; Wesley Fair, Truckee and William Bryon, San Carlos.

George Hess of Oakland was issued a ticket for taking a spike buck.

Loaded Guns in Car

Ordered to appear in the court of Judge Wilson for having loaded guns in their cars were: Carl Davis, San Pablo; Marshall Hollingsworth, Chico; Alvin E. Bunkley, San Francisco; Ralph Butcher, Stockton; Dominick Calviano, San Francisco; Joe Dolce, Kings Beach; W. P. Shepard, Sacramento; Ernest Jones, Truckee; Ardreina Belluomini, Fairfax; Gion Giovannoni, Menlo Park and William P. Miller, Middletown.

Other arrests were made in the area north of here where the suspects were cited to appear in Sierraville court.

CHAMPION FIGHT TO BE HERE OCT. 5 - 6

Ringside films of the recent Rocky Marciano-Ez Charles world heavyweight fight will be shown on the screen at the Donner Theater Tuesday and Wednesday, October 5 and 6, Manager Jack Neugebauer has announced.

All eight of the sensational rounds are scheduled and fans will avail themselves of this chance to see just what happened in the bout.

The City That Never Sleeps will be the feature picture on the same program.

Charles Vinds Parents Of Infant Daughter

Mr. and Mrs. Charles Vind came home this week from San Francisco with their daughter who was born in the Bay City on September 11. The little girl weighed 5 pounds and 11 ounces on arrival and has the given names of Linda Ann.

NEW FOREMAN

Mr. and Mrs. Patrick Hughes of Fresno were here yesterday while he is becoming acquainted with the area. Hughes will have the position of senior foreman of the California Division of Highways, under Superintendent Frank Fox.

From Fairfield—

John Magnetti of Fairfield was here Tuesday seeing friends.

Last Rites Monday For Mrs. Campbell At Sacramento

One of Truckee's favorite summer residents and a member of a prominent pioneer California family, Mrs. Irene Viola Campbell, 55, died at her home here at 7 a.m., Wednesday, apparently the victim of a heart attack.

Funeral services are tentatively set for Monday afternoon at the Harry Nauman and Sons Chapel in Sacramento and burial will be in the Masonic cemetery in that city. The Truckee Colonial Mortuary is handling local arrangement.

Mrs. Campbell is survived by her husband, David L., who recently retired from the Sacramento fire department, and also leaves three daughters, Mrs. Elsie McElroy of Placerville, Mrs. Ruby Dole and Mrs. Dorothy Turco both of Sacramento, and a son, Forest Campbell of Alexandria, La.. Her father, Sandy Scott Caples, resides at Michigan Bluff. She was a sister of the late Carl Caples and a sister, Leta Capen and a brother, Raymond Caples reside at Sacramento.

Mrs. Campbell was a native of Michigan Bluff born November 19, 1898. Although the family maintained their home at 3071 9th avenue, Sacramento, the well known couple for many years had lived here during the summer months and have many friends who will sincerely regret the death of Mrs. Campbell.

JAY STUART WILL HEAD STUDENTS AT HIGH SCHOOL

Senior Jay Stuart was elected to head the student body of Tahoe Truckee High School in elections held last Friday.

It was a close run between Stuart and Barney Gilmore all the way through campaigns until the last vote was counted. The vice-president's job was taken by Pat Griffith in a run-off with Roger Holbrook. The new secretary is Carol Tollefson, who won over Sharon Pace. Lewis Fellows became the treasurer by defeating Suzanne Knoefler. Miss Thelma Finger was, and still is, faculty advisor after a close vote with Norman Dewhurst. Janis Mandeville, after a run-off with Sharon Little, became cheer leader.

The election proved to be a big success since 95 per cent of the student body voted.

Donner Stamp Club Schedules Meeting

The Donner Stamp Club will hold a meeting on Thursday night, October 7 at 8 o'clock at the Wyethia Clubhouse. An invitation is extended to the public to attend this meeting and view the collections of stamps the members have assembled.

Stamp collecting is one of the oldest and most interesting of hobbies. Men and women in all walks of life, as well as many children, are enthusiasts in collecting stamps.

Bud Scott of Tahoe City will be a guest of the club and will show a portion of his extensive collection of stamps.

Monte Straub Feted At Birthday Party

Mr. and Mrs. Joe Straub entertained at a family party in honor of their son, Monte, who was six years old on September 28.

A cake decorated with a miniature circus scene centered the table. Among those bringing gifts to the small lad were his grandparents, Mr. and Mrs. Raymond Hall of Berkeley.

Lt. Snider Now Stationed With Army In Germany

FIFTH DIVISION, GERMANY—Army 2nd Lt. Howard A. Snider, 20, son of Mr. and Mrs. Hobart I. Snider, Truckee, Calif., is serving with the 5th Infantry Division in Germany.

The "Red Diamond" division is receiving intensive training in southern Germany as part of the U. S. Seventh Army.

Snider, a member of the division's 21st Field Artillery Battalion, arrived in Europe last August from Fort Benning, Ga.

South Lake Man Chosen To Head Tahoe Chamber

Main Replaced As President At Annual Meet Of Boosters

BROCKWAY—Norman Celio of Tahoe Valley was elected president of the Lake Tahoe-Sierra Chamber of Commerce at the annual reorganization meeting held Tuesday at Cal-Vada Lodge.

Celio replaces Fred Main of Tahoe City who has served the chamber as president for the past two years and whose record of accomplishments has earned him the highest commendation of members and non-members alike. Included among these achievements were the two highly successful Mile-High Gold Cup regattas which brought thousands of visitors to the lake.

Judge Harry Charrison of Kings Beach was named as vice president of the chamber and Robert Snyder was renamed as treasurer.

Mrs. Jeanette Mitchell of Tahoe City was retained as secretary.

Directors are Eugene Parvis, Jerry Gordon, Fred Schultz, Don Snyder, Luda Cross, Norman Mayfield, C. W. Vernon, L. M. Edge, Warren Porter, Denis Sach, Mrs. Gladys Anderson, Dave Garnor, Herb Obexer, Ralph Stanley, and George Canon.

The first meeting with new officers will be at the Tahoe Community Center at Tahoe City, October 7 a 8 p.m.

NEW MARK FOR YEAR SET IN COURT HERE

Judge F. W. Wilson this week forwarded to County Treasurer Elma Hecker a check in the amount of $3,613.75 for fines and fees collected in the Truckee Judicial Court during September. It was the largest sum collected in any one month thus far during the year, exceeding July by $300.

Traffic fines totaling $3289 led the list, with $35 in criminal fee,' $40 for fish and game violations and $14.75 from civil cases.

The tax from the fines totaling $235 goes for the school driver education program.

U. of C. Man Speaks At Meeting Of Lions Here

Dr. HermanSpindt, director of admissions at the University of California at Berkeley, gave an interesting illustrated talk on the historical intrepretation of the American foreign policy at the meeting of the Lions Club at Donner Lake Lodge last night.

Other guests included Ben Tonini of Morro Bay, Robert Tonini of Tahoe City and Dr. Ben King of Truckee. Earl Stice presided at the meeting and Everett O'Rourke was program chairman.

NO LICENSES AT CHP OFFICE NEXT WEEK

Glenn Freeman of the department of motor vehicles who each Monday conducts examinations for driver licenses and other motor vehicle work at the office of the California Highway Patrol will not be on duty here October 4, but will return the following Monday, October 11. Freeman is taking his vacation at that time and his relief will be taking a promotional examination.

Wedding Date Fete In Reno For Bechdolts

TAHOE CITY—The scene of their wedding reception three years ago was also the setting for the wedding anniversary dinner party of Mr. and Mrs. Carl Bechdolt, Sr., given in the Mapes Hotel at Reno on Sunday, September 26.

Mrs. Bechdolt chose a gown of gray lace over soft pink for the occasion and wore a corsage of the same shade. Flowers decorated the table set for eight. Gifts of leather were received by the feted couple who shared the event with Mr. and Mrs. Leland Stephenson of Newman, Calif., and Mr. and Mrs. Steve Landa and Mr. and Mrs. March Landa of Reno.

SUNBEAMS

By WALTER M. BARRETT

It is easy to believe that virtually every big truck utilizing the highways today are taking full advantage of a ruling some time back which found that the degree of noise made by the exhaust of the vehicle could not be determined, and therefore they could not be cited for having open mufflers. Some of the high-powered trucks shoot through town with a blast that make the old mallet engines sound like a whisper. We think it is high time that the legislature took note of this condition—which is not localized by any means—and find some way to force these sleep disturbers to muffle, to some extent at least, the air-shattering blasts which actually rock buildings with machine-gun precision as they speed by homes, hospitals and schools, apparently without regard for the occupants thereof. It would certainly be a noisy world if everyone had the same disregard for others and if all vehicles were allowed to run without mufflers, making all the noise they could muster.

STAGE IS SET FOR HOLDING BUCK STEW OCTOBER 10

Preparations for the big, free buck stew—highlight of the year's activities of the Truckee Outdoor Sportsmen—are going forward despite the fact that many of the members are still busy trying to bag their buck. The affair will be held Sunday, October 10 at the Capitol Hall starting at 2 p.m.

President Charles Osburn reports the committee in charge of securing the venison for the feast has succeeded in its aim and that assurance has been given that there will be ample to satisfy the 700 to 1000 expected to pass through the chow line.

The committee securing prizes also has been on the job and already scores of gifts have been donated by local merchants.

As usual Julia and Johnny Ciardella will preside at the range with a corps of assistants handling the serving detail.

Warm Weather Still Prevails At Tahoe

TAHOE CITY—Beautiful autumn weather predominates the fall season at Tahoe, with bright, sunny days and nippy nights. The temperatures have ranged from a low of 37 Monday morning to a high of 68 last Saturday.

Ten gates are open into the Truckee river and the level of the lake stood Monday at 6227.01 feet.

THEFT AT SCHOOL AT LAKE REPORTED

AUBURN — Approximately $75 cash was stolen from the Kings Beach Elementary School some time between Wednesday and Thursday morning of last week, according to the sheriff's office. Constable Richard Lavery of Kings Beach made the report.

Lavery was informed by Henry Sams, principal, that the money, saved for school lunches, was stolen from three of the teachers' desks. There were also two empty money bags stolen from the one-story wooden building. There was no sign of forcible entry and a radio and phonograph were left behind.

TEACHER TO SPEAK AT WYETHIA MEET

Miss Margaret E. Muir, teacher in the Tahoe Truckee High School will be the guest speaker at the regular meeting of the Wyethia Club, Friday evening, October 1. Miss Muir's subject will be her European trip which she will also illustrate with color slides.

Mrs. Fred Pedley will preside at the 8 p.m. business meeting. Hostesses for the evening will include Mesdames Annie Tonini, Henry Toccalini, Charles Heller.

New Fire Truck Ordered; Station To Be Enlarged

Enlarged District Demands Increased Facilities In District

Commissioners of the Truckee Fire District have contracted to secure a new fire truck for the recently expanded district, it was learned this week.

The new equipment will comprise a 4-wheel drive International truck, on which will be mounted the latest type fire fighting equipment including a 500-gallon tank, pumps and other essentials. The equipment is expected to arrive here shortly after the first of the year.

It is proposed by the commissioners, A. Pace, R. N. Little and E. K. Stice, to enlarge the present fire station on Southern Pacific property on Commercial Row, to house the additional truck. The station is now adequate only for the present equipment, drying racks and small dormatory. The new building will be erected to adjoin the old one on the side.

Last year the district was expanded to extend from the old Kearney ranch east of Truckee to near Donner Monument on the west.

Fire hydrants have been installed in the area west of here and now provide protection to the fast developing Gateway and Meadow Park home and business sections.

Both trucks will be located centrally to make service and maintenance more available.

CHEST X-RAY UNIT WILL BE HERE ON FRIDAY, OCT. 15TH

The mobile chest x-ray unit will be at the firehouse in Truckee on Friday, October 15 and the hours of operation will be from 1 to 3 p.m. and from 4 to 8 p.m.

Adults and students from the sixth grade up will be x-rayed.

Officials point out that it takes only a minute to complete the examination. There is no undressing and reports are mailed directly to each person having a film.

This community health service is sponsored by the Nevada County Tuberculosis and Health Association.

Mrs. T. T. Buell, president of the association and a former Truckee resident, urges all residents in the area, including Lake Tahoe, to take advantage of the opportunity when the unit is in Truckee.

Your purchase of Christmas seals makes possible the x-ray survey program.

FINNEGAN HONORED FOR CANCER DRIVE

John Finnegan of the Bank of America will attend an annual cancer conference to be held in San Francisco October 1-2. Finnegan, chairman of the recent local fund was asked to attend because Truckee district surpassed Nevada City in fund raising and nearly equaled Grass Valley.

Powers Gets Buck In Car Mishap At Cisco

Lieut.-Gov. Harold J. Powers got his buck a week ahead of time, but it was quite by accident and no political repercussions can hardly be expected.

It seems that after the lieutenant governor left here Monday, September 20, he had a collision with a three-point buck near Cisco, killing the animal and badly damaging his car.

The official was accompanied by Mrs. Powers and they were pleased to accept a ride with State Senator Harold Johnson, a member of the party, but in another car.

Los Angeles Trip—

Mrs. William Gautsche and son, Rolland Gautsche, expect to leave today for Los Angeles where they will visit relatives and friends.

Hears of Illness—

Mrs. Ben Tonini of Morro Bay received word while visiting here on Tuesday that her brother, Ernest Nelson, had his leg amputated by surgery at Grants Pass, Ore.

High School To Play Manogue In Reno On Saturday

The Tahoe Truckee High School Wolverines, following a weekend of rest, are back on a heavy practice schedule in preparation for their important conference game with Manogue Hi next Saturday, October 2. The game is scheduled for the Miner's Field at 2 p.m.

The Wolverines, with a season record of one conference win and no losses, will go into the game with somewhat the same starting eleven that defeated Douglas, 18 to 2. A doubtful starter is End Aaron Thomas, who is nursing an ankle injury suffered in the Douglas game. Either Doug Cooke, sophmore, or two-year veteran Jack Van Hooser will open in place of Thomas. One other switch will occur at the guard position, where Mike Vieu, looking very promising in the opening game and practice, will start in place of Sophmore Ken Lavery.

The remainder of the starting lineup will be: Ends, Fellows and Cooke or Van Hooser. Tackles, McClain and Giovannoni. Center, Jim Bowden. Guards, Dolley and Vieu. Quarterback, Holbrook. Halfbacks, Sanford and Williams. Fullback, Captain Dick Mandeville.

Other Wolverines slated to see plenty of action Saturday are:

Quarterback, Jay Stuart and Pat Griffith.

Fullback, Bob Trask.

Center, Jay Mandeville and Jim Harris.

Guard, Ken Lavery and Scott Gilmore.

Tackle, Bob Sach and Jim Crawford.

Halfback, Richard Griffith and Dean Holbrook.

ONLY ONE SMALL FIRE REPORTED DURING WEEKEND

Henry Toccalini of the U. S. Forest Service in Truckee reported that in spite of the hundreds of hunters in the area and the extremely dry season there has been excellent cooperation to prevent forest fires.

A small blaze was apparently started Tuesday by an unattended camp fire one mile east of Dry Lake, situated three miles north of Hirschdale but hunters nearby took the initiative to make the necessary fire break and smothered flames which was also checked by a patrolman of the Forest Service who came upon the scene.

Six citations were issued to the early part of the week for unattended camp fires and one for building a camp fire without first obtaining a permit. No smoking violations were noted at this time.

Mary Louise Zang To Wed Richard Mandeville

KINGS BEACH—Mr. and Mrs. William D. Zang of Tahoe City and Palm Springs announced the betrothal of their daughter, Mary Louise to Richard Mandeville at a dinner party on Tuesday evening, given by Mr. and Mrs. C. E. Mandeville of Kings Beach, parents of the future benedict.

Attending the affair were the W. S. Mandeville family; Mr. and Mrs. J. J. Mandeville; Mr. and Mrs. H. E. Brooks and grandson, Daryl; Fred Setley, the Misses Martha Zang and Mickey Trent and Clyde Mandeville.

The popular young couple who have received the felicitations of their friends following the revealing of the engagement, may have their wedding date during the month of December.

TO HAVE DINNER

Girl Scout Troop No. 2 on Monday evening, October 4 will have dinner at Goodfellow's Coffee Shop and then attend Donner Theater for a social event. Their leader, Mrs. Fred Pedley, will accompany the group.

Society To Meet.

Tuesday night the Women's Society of Christian Service had its first Bible study session. The Rev. and Mrs. Wesley H. Osman led the study.

Mary Zunino observed her birth date on September 27.

Truckee Utility District Planning Public Building

Study Being Made To Have Building Located At Garage Site

Officials of the Truckee Public Utility District are exploring the possibility of erecting a public building to house the district offices as well as being headquarters for the various other political subdivisions of this immediate area.

In proposing the project to the board at Tuesday's regular meeting, Manager C. Edmunds declared that in his belief, the building which would cost in the neighborhood of $65,000 would not cost the district any more than is now being expended for rental costs and maintenance.

The board members, E. L. Loynd, H. T. Langille and C. R. Heller authorized the manager to continue his study of the proposal and expressed agreement that the structure would serve a vital need in the community. It would be used as a civic center and if arrangement could be made with county officials to utilize a portion for a much needed jail and office for county officials, as well as housing offices for other local boards, unit costs would be minimized.

Garage Property

Edmunds said he had gone so far as to discuss the possible purchase of the old Truckee Garage property owned by Mr. and Mrs. A. R. Ghirard on Spring and Main streets, just back of the telephone building, as a potential site. The property offers a number of advantages for such a building, being centrally located, easily accessible and providing sufficient room for a two-story building with entrances on the ground floor as well as from the rear into the second story.

Bond Issue

The present building could be razed and the price fixed for the property, Edmunds explained, is quite reasonable and would not involve a great immediate expense.

While it might be necessary to float a bond issue to finance the construction, the board agreed, revenues from rentals as well as the saving to the district, spread over a reasonable period of time would more than pay off the bonds.

Such a building, it was pointed out, would go a long way in cementing the community into a unit and provide a central location for transacting most public business.

FASHION SHOW WILL BE FEATURE HERE AT WYETHIA FAIR

The fashion show at 8:15 p.m. to be held in conjunction with the Wyethia Club's Country Fair in the Truckee Tahoe High School on October 2 will feature fall and winter clothing with the many activities of the region in thought.

Besio's Apparel Shop, Cabona's Store and The Toggery have been receiving the latest in ski togs as well as after skiing, lounging, sports clothes, suits and gowns for dressy occasions. These will be modeled by small boys and girls, through sub-teen and teen-age and into adult styles for both men and women Mrs. Fred Pedley, president of the club said. Background music will be played during the exhibition as well as dancing and musical numbers between the groups.

A turkey dinner will be served in the school's cafeteria between 6 and 7:30 p.m.

The classification for the children's pet parade will be held at 2 p.m. in the edifice when the prettiest, homliest, smartest and most unusual pets of the district will have their field day.

Booths filled with exhibits of interest will be displayed throughout the annual event.

Driverless Truck Takes Dip In Donner Creek

John Richards almost lost his pickup truck in Donner creek Tuesday night.

The local barman had parked the vehicle in his driveway near the old Chinchilla farm and started for his house. The brakes apparently slipped, allowing the pickup to careen down the driveway, across the highway, where fortunately no cars were traveling, and on across the fence and field to land headforemost in the creek.

A tow car from Thornton's Garage was required to put the truck back in circulation, but otherwise no damage was done.

FLY TO NEW YORK

Mr. and Mrs. Dan Horman have left for New York with their children, Pam and Donna, to visit relatives and friends. They are making the trip by air and plan to be gone a month. In their absence, the Donner Trading Post will be operated by their partner, Paul Hormanski.

Annual Traffic Safety Session Called For October 7 In Capitol

SACRAMENTO —Gov. Goodwin J. Knight today announced that the fifth annual California Traffic Safety Conference will be held in the State Capitol building on October 7 and 8.

Approximately 1000 delegates and specialists from throughout California and the nation will participate.

Discussions will be conducted on traffic law enforcement, education, engineering, public information, driver licensing and commercial vehicles. A special division has been included in the agenda to be conducted exclusively by and for teen-agers.

In announcing the conference dates, Governor Knight pointed out that an encouraging trend in the field of traffic safety appears to be in the making.

"Without intending to convey any undue optimism," the governor said, "we feel that the decline in traffic death figures may be the beginning of a desired trend.

"From New Year's through Labor Day this year, a total of 1973 persons met death on California's streets and highways. This is a tragic toll but it is 12 per cent below last year's total at the same time. The total of 3371 dead during the year 1953 was 191 below the 3562 killed during the previous year. We are heading slowly in the right direction.

"The purpose of this conference is to determine what further action steps can be taken to reduce this alarming waste of human life at an accelerated rate," Knight explained.

Employment For August Was At Point For Year

SACRAMENTO (CNS)—Civilian employment in California totaled 4,998,000 in August, according to announcement made today by Paul Scharrenberg, director of the department of industrial relations.

This is the second highest August on record, and the highest level for the current year.

Unemployment dropped by 30,000 between July and August, to approximately 206,000, which represents approximately four per cent of the labor force.

The seasonal gains in employment, Scharrenberg said, were accounted for largely by fruit and vegetable canning and other agricultural work.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) — Gov. Goodwin J. Knight's views on handling the state's fish and game program, as expressed in a message to the 30th annual convention of Associated Sportsmen held recently in Stockton, appear to be at wide variance with those of his director of fish and game, Seth Gordon.

The governor's message to the sportsmen gave impetus to the rumor that has been circulating in the Capitol for some time that Gordon's days as director of the department, a position he assumed under former Gov. Earl Warren, are numbered.

The Pennsylvania conservationist, who arrived in California as the executive officer for the state's Wildlife Conservation Board, and under whose supervision millions of dollars have been expended in California for what is claimed has been betterment of the fish and game program, has recommended extensive expenditures in this field.

The governor, however, suggests that development of a net-work of access roads to areas where game remains unharvested would be more to the point. He also suggested that roads be constructed to coastline areas where there are "countless untested angling opportunities."

"There is nothing fancy about this program," the governor said. "There would no flossy structures, no expensive upkeep. The program would entail only the simplest facilities, such as access roads, trails, parking areas and sanitation.

"Private property rights would not be involved or disturbed as these roads can be built through public lands, excepting in a few instances where a narrow strip of property might be acquired."

Estimated cost of the program the governor suggests would amount to about $2,240,000 annually.

At the same time, the governor said he was opposed to any proposal to increase the fishing and hunting license fee above the present $3 charge made by the division of fish and game.

"It is not necessary," the governor said, "to increase hunting and fishing license fees, or add any burden to the taxpayers. Millions of Californians who want to enjoy our great outdoors would have new and greater opportunities to do so if more of our vacationlands are opened up in this manner."

Knight said he plans to bring the idea to the joint senate and assembly interim committee on fish and gam when it meets in December, and "I plan to recommend the enactment of these proposals into law at the next regular session of the legislature."

Gordon's plans have been much more extensive, as the Pennsylvanian has been adept at spending fish and game funds and recommending the installation of "flossy" structures, such as the one in San Joaquin Valley which is producing fish for planting at an estimated cost of more than a dollar a fish.

Instead of spending tideland oil money as suggested by the fish and game director, the governor recommends re-establishment of an annual allocation of funds from the racetracks and parimutual betting revenue to the Wildlife Conservation Board. The board received some 13 million dollars for the six-year period between 1948 and June 30, when the appropriations ceased as the result of legislative action.

Tax Exempt Property In County Is Valued In Exess Of Million

SACRAMENTO (CNS)—The value of tax exempt property in Nevada County this year totaled $1,449,000, the State Board of Equalization reported.

Biggest share of the exemptions went to 1357 veterans residing in the county. Assessments on their exempt property amounted to $1,251,000, and averaged $922 each.

The board said the average tax on exempt property for each veteran living in California would have been $50 if payment had been required.

The board also listed the value of tax exempt church property in the county at $150,000, and welfare property at $48,000.

Tax exempt property throughout the state was valued at more than a billion dollars. Some $924,422 veterans had exempt property appraised at $755,410,000 and averaging $817 per veteran.

The value of exempt property of California churches amounted to $109,448,000, of colleges $52,533,000, and of welfare institutions $94,599,000.

YOUNG PEOPLE WILL AID GOVERNOR IN DRIVE ON NARCOTICS

Young people of California have accepted Gov. Goodwin J. Knight's challenge to "take the lead" in a full fledged program to combat narcotics use.

Responding to his assurance that "the whole community, the whole state, will gladly follow your lead," more than 150 student leaders from San Francisco Bay area high schools and junior coleges, urged similar school conferences in other areas, and asked the governor to invite student representatives ot a statewide meeting.

November 22 has been set by Governor Knight for the state conference. A second will be held next Februarv. A series of meetings with students is being arranged by the governor during his visits to southern California.

In his San Francisco conference, Governor Knight declared that "it will take more than legislation" to solve the narcotics problem.

"It will take every aid," he said, "that you and other young leaders like you can give—every idea you can devise to make narcotics experimentation the most unpopular piece of stupidity a young man or woman ever engaged in."

The governor, following his appearance at the San Francisco Youth Conference, renewed his intensive campaigning in southern California, highlight of which is his introduction of President Eisenhower at the eighth biennial convention of the National Federation of Republican Women in the Hollywood Bowl, Thursday evening, September 23.

COUNTY SHARES IN STATE SCHOOL FUND

SACRAMENTO (SNC)—Roy E. Simpson, state superintendent of public instruction, today announced apportionment of more than $355,000,000 in state school funds for the current school year.

Nevada County's share of the apportionment totaled $587,344, including $423,513 for elementary schools and $118,234 for high schools.

Log Hauling Hearing Slated For Sacramento For September 30th

Assemblyman Don Hobbie of Oroville, chairman of the Assembly Committee on Transportation and Commerce announced today that the subcommittees studying the problems of log hauling and natural resource roads will hold hearings on September 30 and October 1, 1954 at 10 a.m. in room 4202, State Capitol Annex, Sacramento.

The problems of log hauling will be considered on September 30. The members serving on this subcommittee are: Assemblyman Frank P. Belotti, Francis C. Lindsay, Walter I. Dahl, Patrick D. McGee and Don Hobbie.

The following day, October 1, a discussion will be held to ascertain the feasibility of natural resource roads in California. The members serving on this subcommittee are: Assemblyman Francis C. Lindsay, Frank P. Belotti, and Don Hobbie.

Representatives from the California Highway Patrol, Department of Public Work, Public Utilities Commission, California Association of Timber Truckers and other interested persons have been invited to appear before the subcommittees to present their viewpoints.

JUNIOR CHAMBER SPONSORS SAFETY PROGRAM IN STATE

California's Junior Chambers of Commerce, at their state board meeting in Sacramento, voted to make the California Safety Council's Traffic Safety Crusade their outstanding project of the year, Raymond F. Leheney, president of the council announced.

In adopting this crusade, aimed at reducing California's traffic death rate by at least 20 per cent, the Junior Chambers promised to have each member obtain at least 100 pledges, total state membership in the organization is placed at 10,000, thus their support of the traffic safety crusade will result in more than a million signed safety pledges.

The safety pledge, the spearhead of the Crusade, is a promise by the motorist to familiarize himself with the traffic laws, keep his vehicle in safe driving condition and drive courteously.

According to Leheney, failure to observe one or more of these three points is the principal cause of 90 per cent of all traffic accidents.

Ken lis, president of the Van Nuys Junior Chamber of Commerce was elected state chairman to direct Junior Chamber activities in the safety crusade.

Constant planting has made Golden Gate Park one of San Francisco's beauty spots.

SWANEE'S Lake Tahoe Letter

Tahoe City, Sept. 26

Dear Tahoeites:

It has been a long, long time since the Tahoe region has seen so many red caps and heard so much shooting in these thar hills! Seems there are plenty of deer this year, although the buck is as elusive as ever for some hunters. One party of hunters saw a total of 37 spikes in a day and a half of roaming the mountains, and few bucks. Doe and fawn are numerous.

First man I heard of to arrive in town with his buck on opening day was Dave Fritsche of Fairway Drive who brought in a four pointer, dressing out at over 100 pounds killed at Squaw Valley. He got his buck at about 200 yards at 8 a.m. Imon Mitchell of Sunnyside decided to try his luck over Nevada City way and got a 125-pound three-pointer there at 8 a.m. Sunday. He was the only one in his party of five to get a buck.

Al Sanford and son, Ronnie, are back from an exciting four weeks vacation spent in Canada, where they visited Al's brother, Eric Sanford and family at Handsworth, Saskatchewan, and where they had their choice of birds and game. They feasted on ducks, geese, prairie chicken, and shot several elk, the largest 900 pounds, and several deer, ranging around 225 pounds each. But that area has no refrigeration so they could not bring back their kills with them, but had a heap of fun in the hunting.

Two nice bucks hang in the refrigeration room of the Village Store ranging around 125 pounds each. One was killed by Pete Huega's brother, and the other by a member of the Landa party of Reno.

One of the most excited hunters of the new season was a prominent young lady from Tahoe City who practiced shooting a gun only a few times before venturing forth with friends to try her luck for the first time. She was Miss Geraldine (Jerry) Bean, kindergarten and first grade teacher at Tahoe Lake School who brought down a beautiful three-pointer on opening day at Mt. Watson at 10:20 in the morning. He dressed out at around 125 pounds and was shot at a distance of 60 yards right behind the ear, "meaning no wasted meat," says Miss Bean, who is right proud of her beginner's luck.

Brothers-in-law Louis Gerkin of Sacramento and Norman Dewhurst of Tahoe and Truckee tried their luck in the region of Pine Lodge, not far from the lakeshire near Meeks Bay. Louis got a nice buck which dressed out at around 125 pounds on Saturday, 'tis said.

Another party which camped out Friday night west of Big Chief included Bob Stark, Don Jackson, Terry and Rex Tollefson, Dick Carnell and Jim Baker, of Tahoe and Truckee and Allan Pollitt of Sacramento. They hunted all of opening day in the vicinity of Silver Peak, where hunters' guns threatened to blow the mountains apart in their repeated violence, but where they saw no bucks. On Sunday morning Baker wandered alone through the area at the headwaters of Pole Creek and met up with a beautiful four-pointer which he brought to his knees at around 200 yards. The big fellow dressed out at around 190 pounds and was fat and in the best of condition. The rest of the party saw no bucks.

Al Henry returned home on Sunday with a nice buck, but haven't been able to get the details from him yet. He was accompanied by David Donaldson of San Leandro, a houseguest for a few days. Elaine Brumbaugh has closed up the Skookum Chuck in Tahoe City and departed town.

Up on Fairway Drive in Tahoe City a new two-bedroom, two-story home actually appeared as if by magic as Bert Anderson, Pineland contractor, and his crew, in 14 working days had the house completed. It is owned and occupied by Dr. and Mrs. Harry V. Baker and family who hail from Napa. Their houseguests frequently are their daughter and family, Mr. and Mrs. Clayton D. Russell of Oakland, the latter are ardent skiers and will spend much of the winter enjoying the new house and adjacent skiing areas.

The Elsie Martin Real Estate Company in town has been busily engaged completing some interesting transactions during the past week or two. Among these is the sale to Dr. and Mrs. John Fabian of Chico, of 160 acres of choice land which comprised a section of the famous old Watson property. The acreage, which lies from Highway 89 to the northwest from Lake Forest, has been named by Mrs. Fabian The Highland and will be subdivided for choice Tahoe homes. The Bob Watsons who own a nice home in town at the Christmas tree which is rented each summer by the Hunts, have resided in summer for some years past at the buildings at the old Watson Mill, located on a corner of the 160 acres. They still retain 80 acres adjacent to this and will no doubt continue to make their summer home nearby. The acreage runs from the old mill to the top of Dollar Hill and should prove a popular site for a new summer settlement.

A second sale just completed by Mrs. Martin's company was that of the Charles Cross home on Fairway Drive which has been purchased by Mr. and Mrs. W. T. Lion of Sausalito who plan to reside at Tahoe City the year round. The Crosses have not made any definite plans for the future as yet, but they will not be leaving Tahoe, but remain on hand to manage their Truckee-Tahoe Lumber Company yards here. They will reside at Lakewood Lodge for the present and may seek an apartment in town in the spring.

Mr. and Mrs. William Grant of San Rafael were up to Tahoe this week to close up Agea, the Tahoe City summer home of Miss Alice Griffith for the season. Mrs. Ann Anderson of the Villeage Store draws our attention to an excellent article in October Ladies' Home Journal which features summer resident, Mrs. W. W. Mein, Jr., in a two-page spread of beautiful pictures featuring her begowned in some of her favorite costumes. A lovely model, and some lovely photography. Mr. and Mrs. Richard Lee, parents of Mrs. Jack Starratt of Tahoe City, motored up from their summer home near Rainbow Lodge to visit at the Starratt's newly acquired home in town over the weekend.

Charles Nielsen, superintendent of Tahoe City's highway maintenance station, informs me that the new white parking control bars which have been installed around the base of Tahoe City's famous Ponderosa Christmas tree on Saturday last were so ordered by the Safety Division of Highways with headquarters in Sacramento. Seems that signs forbidding parking in that area posted on the tree were ignored completely in the past, especially during the heavy winter weather, so the new control bars were installed to discourage trespassing in the future. A mock ribbon-cutting ceremony was held by the installation crew, just for fun!

Tahoe is olsing two more old pioneers who have sold their lovely three-bedroom home, and guest cottage, in Tahoe Park. They are Mr. and Mrs. A D. Wilkie who will return to their recently purchased residence in Oakland where Mr. Wilkie is engaged in the real estate business. The new owners are Mr. and Mrs. Kurst Sanders of Menlo Park. The Wilkies' have resided in Tahoe Park each summer for the past ten years, and Mr. Wilkie (a local realtor), has been coming to the lake for 30 years or more. Mrs. Wilkie's health has not been too good in the high altitude and her doctor believes living in the lower clime will prove beneficial. They regret leaving their many good friends and neighbors.

Dr. C. B. Pedersen who again served as resident physician at Tahoe Tavern all summer, has returned to Castle Hot Springs where he will winter as usual.

Miss Beverlee Pomin, daughter of the Stanley Pomins, of Sparks, former residents for years of the south Tahoe district, and granddaughter of the E. H. Pomins of Tahoe Park, recently joined the Kappa Alpha Theta Sorority at University of Nevada where she is a student. Mr. and Mrs. O. C. Smit' parents of Mrs. Charles Warner of Fairway Drive, were recent guest of the Warners from their hom in Bell, Calif.

September is the month of man birthdays, and some anniversaries for Tahoe folk. Among those celebrating this month are Mrs. Myrtle Wheat of Tahoe and Las Vegas, who with her husband visited at the lake on Thursday last; Rose Boyiaredes of the Bittencourt Tract; Dr. C. B. Pedersen, Mrs. Gerda Kvistberg, Tahoe Park; Mrs. Lillian Vernon Farr, Tahoe City; Frank Kennedy, Jean Henry, Joe Henry, Elsie Bell Bechdolt, Mrs. Louise Geier, and two wedding anniversaries were observed by Mr. and Mrs. Carl Bechdolt, Sr., and the Carlton Valentines of Costa Mesa, former owners of Tahoe Lakeside Cabins, who have rounded out fifty-eight happy years together. Congratulations all!

Singers are being sought for the newly organized choir of the Catholic Corpus Christi Chapel at Tahoe, whose organist is Mrs. Pat Vanni of Tahoe City. Father O'Neill has purchased a new Wurlitzer electric organ for the church here, and practice is held several times weekly. Even men's and boy's voices will be welcome, as organization is desired in time to perfect numbers for the special Christmas masses. Contact Pat Vanni at Tahoe City 72-J if you are interested. Present members include Maizie Carnell, Martha Snyder, Mary Anna Connors, Marie Henry, Christine Bechdolt and Joanne Spitsen.

Guests who dropped in at the James Baker home last week were Mr. and Mrs. Carden Young and daughter of Sacramento. Mrs. A. A. Snyder is giving a shower for the newly adopted curly-haired little blonde daughter of Don and Dot Painter of Lake Forest on Tuesday afternoon. Little Charlene is just 18 months old and will be honored with a party and shower by members of the Women's Club of Tahoe and their friends.

Mrs. Charles Warner of Fairway Drive and small son Denney have left for Los Angeles by plane to seek specialized dental care for the little boy, who at last reports to his dad, was getting along famously with the dentist. Dennev, who is two years, three months old, is having dental difficulties which are most unusual for one so young, but by the time his second teeth come in he will be all okay. Mrs. Warner is visiting with her parents, Mr. and Mrs. O. C. Smith at Bell, Calif.

Mrs. Jeannette Mitchell, secretary for the Lake Tahoe-Sierra Chamber of Commerce, spent Friday to Sunday in San Francisco where she attended the annual state convention of Chamber Secretaries and Managers in the state chamber offices on Bush street. She enjoyed her trip, but felt a little self-conscious as she was the only lady there. She learned much of the worldwide scope of chamber work from the two-day workshop and would have liked to remain for the rest of the meetings but returned home Sunday.

Ring off for the week with my fingers crossed. Tahoe's gorgeous fall weather continues and autumn is waving her magic wand with its reds and yellows across meadows and along the river—it's heavenly.

My best to you all, as ever,
SWANEE

Long Beach Man Will Serve On Fair Board

SACRAMENTO (CNS) — Gov. Goodwin J. Knight has appointed Llewellyn Bixby, Jr., of Long Beach, to the board of directors of the California State Fair.

Bixby will succeed E. S. Pillsbury of Buellton, Santa Barbara County, who resigned. Bixby's term will run until February 1, 1957.

Clove trees were originally found growing on the Molucca Islands, now a part of Indonesia and formerly known as the Spice Islands.

Tahoe-Truckee School District News

KINGS BEACH

Kindergarten and First Grade—Last weekend Mike Dacus went to Oakland with his family, and Linda Ford visited relatives in Los Angeles. Another kindergartener, Joby Lewis, has left Kings Beach. He and his family are moving to Michigan.

New equipment was the main center of interest this week. A slide and rings were added to the outside plyground. We also have a new addition in our room. It is a beautiful aquarium. It will have about 14 tropical fish in it.

Second and Third Grades—Karen Critchley brought the record, "The Big Red Fire Engine," to share with us. We enjoyed it, because we are studying about fire engines and firemen in school studies. Marcia Tucker, a new third grade girl joined our class Monday. Macia is living with her gandparents, Mr. and Mrs. Clyde Frampton at Tahoe Vista.

Fourth, Fifth and Sixth Grades: Our class was busy for two days this week taking achievement tests and mental maturity test. This week, Stanley Gould moved to Sacramento and David Gordon went to Cathedral City. We hope to see these boys back next spring. Arthur Hulbert transfered into the sixth grade class from Auburn.

LAKE TAHOE SCHOOL

Kindergarten: Tahoe Lake kindergarteners are quite enthused by the arrival of the new aquarium tank this week. It is complete with plants, heater and a light. Next week the fish will arrive.

First and Second Grades: The unit undertaken for the first semester is a study of the family. Booklets have been made indicating duties of the various members of each family. The use of color and a daily painting program has been enthusiastically initiated.

Third and Fourth Grades: The foutrh grade is collecting foliage from the native trees for study and recognition to further the understandings in the unit on lumber. A safety monitor system has been set up by the third and fourth grades to prevent running and pushing in the halls and classroom. Yard monitor, Bill Gorham; room monitor, Mike Marvin; door-hall monitor, Jim Randall.

Fifth and Sixth Grade News: There are four new pupils in the fifth and sixth grades. Joan Nickelson, Nell Ellis and Joy Ferris are fifth graders and Ann Brimhall is a sixth grader. This year our school president is Kenny Wilson. Our safety patrol members are Jimmy Heuga, Bruce Scott, Nell Ellis and Albert Gelmstedt.

The class is studying about the tourist business in this area and various industries in California.

This year we have both slides fixed.

DONNER TRAIL ELEMENTARY

We are studying our times tables in arithmetic. Those that know them well are moving ahead in their texts. As times tables are basic we are moving ahead slowly until they are learned. Each student is moving ahead at his own speed.

In the first grade we are counting objects. We also practice our number writing at the board.

TRUCKEE ELEMENTARY

Kindergarten—The kindergarten children have been learning the correct usage of books Each day we have a free reading period in which each child chooses a book to look at, and exchanges with his neighbor when through. Occasionally a story is read to the class by the teacher. Children are encouraged to bring their own books from home to share with their classmates.

First Grade—the first grade reading program is off to a good start. We have been learning to recognize the color words and have been writing many chart stories. We take our stories home to read to our mothers and fathers.

Second Grade: The books which we are reading are "Mac and Muff," "The Twins, Tom and Don," and "Fun in Story." Soon we shall read "The New, Round About," and "New Friends."

Third Grade: Reading is one of the basic subjects in the school curriculum. The child learns to read, then reads to learn. Without the ability to read, the doors to other fields of learning are closed.

Fourth Grade: The fourth grade is enjoying a group of interesting books. One group is reading "The New Streets and Roads" which has stories the boys and girls like to read. In about two weeks they will be using another book called "Down the Singing River." This book with its companion workbook will widen their reading experience and further their ability to figure out words by themselves. The third group is using a new book, "Just Imagine," which has such interesting stories as "I V Goat" and "Ann's Puppy Sitter." Independent reading also comes to the front in fourth grade. The children choose their books, read them, and make reports, sometimes by drawing and sometimes by short sentences, in their free work period.

Fifth Grade—At present, we have three different readers. They are: Days and Deeds, Times and Places, and More Streets and Roads. And, the workbooks with each reader are full of exercises which not only help us to improve our reading, but also are fun to do.

Sixth Grade—Our class is currently divided into three reading groups. One group is reading Times and Places; another, Days and Deeds; and the last, People and Progress. Each student has a workbook for his reader which gives him practice in comprehension, vocabulary building, word analysis, reasoning, dictionary skills, creative writing, distinguishing similarities and opposites, writing descriptive passages, definitions used in context and additional enrichment and developmental activities.

Parents may help in this program by allowing children to select and purchase good books by well known authors.

NOTICE TO BIDDER

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee nified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than Tuesday, October 12, 1954, at 5 P.M. for a contract to furnish transportation for school children from Squaw Valley Lodge to Highway No. 89 at its intersection with the Squaw Valley Road in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the contract offered.

Bidders are required to furnish bond, or certified check in an amount equal to ten per cent (10%) of the total bid.

By order of the Governing Board of the Tahoe-Truckee Unified School District

DENIS SACH,
Clerk

Oct. 21, 1954.

LIGHT THROTTLE OR SPEED TICKET WILL BE DRIVER'S CHOICE

SACRAMENTO—Drivers with a heavy throttle foot are cautioned by the California Highway Patrol that "this is it."

Following a period of gradual re-emphasis on speed enforcement, Patrol Commissioner B. R. Caldwell this week has instructed all patrol personnel that lenience and tolerance are passe in dealing with speeders.

In making this declaration, Caldwell quoted an order he has issued to all members of the patrol stating that all actions taken by patrolmen shall be "businesslike, firm, fair, impartial, courteous and uniform in application."

Discussing the progress of the re-emphasis program thus far, the commissioner pointed out that most motorists have adjusted very well to this strict and realistic interpretation of speed regulations.

"There is, however, a segment of the motoring public that continues to exhibit an apparent disregard of speed limits. For these people, who head the list of collision causers, we promise an all out effort to convince them that the lawful way is the only acceptable way to drive on California highways," Caldwell said.

He added that the police departments of the cities throughout the state have declared their complete cooperation in the present program.

Donald and Frances Robinson of Meeks Bay are wintering at Hemet and the mailing address of Mrs. Edna Marsden of the same vicinity has also been changed to Laguna Beach. Another change from Carnelian Bay to San Mateo was made by Leo J. Putnam and the A. R. Specht family has left Tahoma for their home in San Francisco.

There are three summits on Mt. Rainer: Liberty Cap to the north, elevation 14,112 feet; Point Success to the south, elevation 14,150 feet; and Columbia Crest to the east, elevation 14,408 feet.

TRAVEL SMILES
BY Merry Miles

The child on the Greyhound bus was four, and bright as a cricket. "I can read the signs," she chirped, and demonstrated on the next one we passed. "It says twenty-seven miles."

"What else?" I asked. "Oh, I can only read how far," she said, "but not where to!"

Everyone likes Greyhound travel because it's so intimate and personal, as well as low in cost. You're close to everything—scenery, people, the towns, cities and countryside.

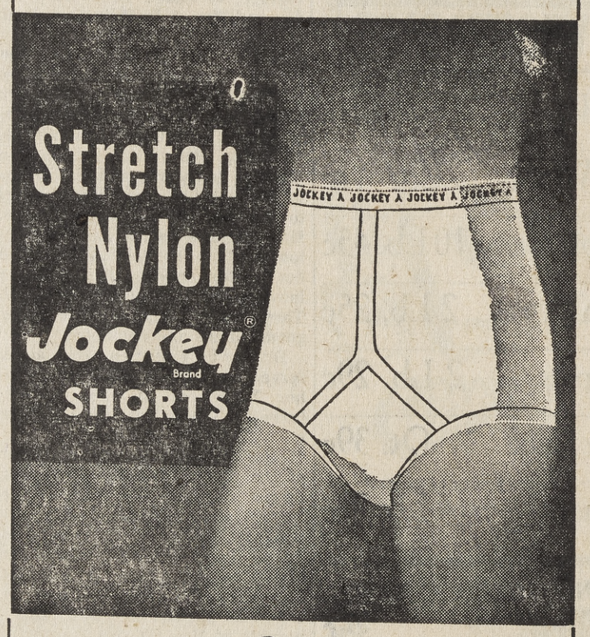
If you're getting a few days or a couple of weeks off this fall, ask Greyhound for free literature on the latest Merry Miles Vacations. You can go anywhere, because Greyhound serves all 48 states.

There are pre-planned trips in the West, to all the national parks, around the U.S., and also to Canada, Mexico and Caribbean. Prices are surprisingly low because Greyhound fares are so low.

For example, a 10-day vacation to the Pacific Northwest and Canada costs only $88.45, double-room rate, per person, from Reno. That includes hotel rooms, sightseeing in Portland, Vancouver, and Victoria, steamship fares, and travel via Redwood Empire, Oregon Coast and Shasta-Cascade Wonderland.

So long for now. This is Merry Miles saying, "I'll be seeing you, and you'll be seeing America—best—by Greyhound!"

Fits Like a Second Skin



made only by Coopers®

You'll really be "unaware of underwear" when you slip into these wonderful Jockey shorts made of the new stretchy Nylon fiber that fits like it was made just for you.

With all of the comfort features which have made Jockey underwear the favorite of millions, they're quick drying, yet extra-absorbent, thanks to a special Coopers process. Two sizes 28 to 34 and 36 to 42.

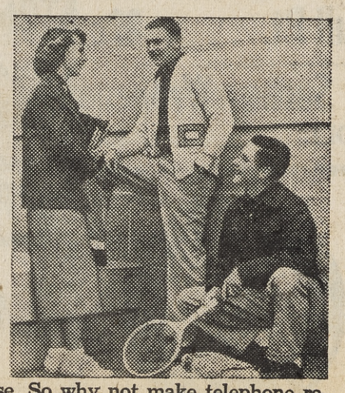
A radio powered by sunlight

For centuries man has dreamed of getting power from the sun. Perhaps you, too, have wondered about it. Well, now it's happened. Bell Telephone Laboratories has invented a solar battery that directly and efficiently turns sunlight into useful amounts of electricity. It's made from an ingredient of common sand. Even at birth, it supplies enough power to run a small radio set (right) or send voices over telephone wires. Much development remains to be done. But the Bell Solar Battery, used with transistors, offers great opportunities for improvement and economies in telephone service. Research like this helps us bring better telephone service to more people at the lowest possible cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Free booklet for your personal telephone numbers

Here's your handy guide to the local and out-of-town telephone numbers you call most often. By listing numbers you call frequently in this booklet, you'll be able to find them quickly and easily. And when you give the operator the number you want, out-of-town calls go through twice as fast. For a free copy, just call, write, or drop in at our business office.

Have a "no-letter" man away at school?



No need to be at the mercy of the postman when the young man or young lady in your family is away at school. In just minutes you can visit any campus in the country by telephone . . . hear again that happy greeting—"Hi, *Mom*!" . . . "Hi, *Dad*!" And it needn't be a *rare* treat, either . . . not when long distance calls cost so little. You can make a 3-minute night "station" call to campuses as far away as the East Coast for only $2.00 plus tax . . . to nearby campuses for even less, of course. So why not make telephone reunions a weekly event in your family. In fact, isn't there a youngster who'd love to hear from you tonight? **Pacific Telephone**

Mr. and Mrs. Ernest Johnosn have left Rainbow Tavern, returning to their home at Roseville.

D. H. Ford who has been in North Hollywood is back at Kings Beach.

Mrs| Jody Maher is returning to winter at Palm Springs having spent the season at Meeks Bay.

Mr. and Mrs. C. D. Huff of Homewood are changing their address to their ranch at Woodland.

The E. B. Lewis' who have a house at Lake Tahoe are located at Payette, Idaho.

Mrs. William Reinhardt who has been spending several weeks at Brockway, has changed address to San Marino.

Leaving the vicinity of Tahoe City, several summer residents have gone to the Bay district including Dr. and Mrs. Lee Hand of San Francisco. Mr. and Mrs. Fred Manley will winter in Hollywood.

The Clark Bunham, Jr., J. Philip Murphy, and E. L. Oliver families are now at their respective homes in Piedmont, planning to return to the lake early next year.

From March 1, 1871 to March 4, 1787, the United States existed as a government under a written instrument called "The Articles of Confederation."

It's the Mighty Mite of chain saws

HOMELITE
Model 17 Chain Saw

No other saw so light . . . so easy to handle . . . packs as much power. Enough power to zip through an 18 inch tree in 18 seconds. Enough power to cut trees 4 feet or more in diameter and to stand up without costly maintenance under steady production cutting. Try it . . . this mighty mite of chain saws . . . the new Homelite Model 17, today.

Tahoma, Lake Tahoe

NORTH TAHOE

By JUDGE HARRY CHARRISON

Dorothy and Bert King received a letter from their son Norman today. He is away off on the southwest coast of Japan with a coastal party near a point called Sasabo. He has been promoted to the post of duty swimmer. It is his duty to dive in the sea to rescue any that may fall in. He says his swimming in Lake Tahoe stands him in good stead.

And yet another one of our boys, Bill Miedema with his wife and baby have traveled up to Pasadena from New Orleans and of course Grandma Miedema had to make a special trip down there, as she had not seen her new granddaughter. And by the way, little Robin has improved a lot from her bad illness and it is hoped the California climate wil benefit her.

Saturday morning and the first one to report getting a nice buck was Bake Frye of the Kings Beach Automotive Service. He got it at 7 a.m., just back from Kings Beach on Brockway Summit and to say he was the proudest guy around these parts is putting it mildly.

Talking of hunting, today Sunday, had four violators in for having loaded guns in the car. This is against the law so be careful.

Earl and Mrs. Nelson are spending a few days at Boyes Springs in Sonoma County for a well earned rest. They tell us they hope to make a trip east at the end of the year. Good for them, huh?

My wife and I were guests of Gladys and Lee Wilcox at a special dinner meeting of the Rotary Clubs of West Sacramento and Brockway last Saturday night at Cal-Vada. Had a most enjoyable time. The Wilcoxs own the Glad-Lee Lodge at Kings Beach and Lee also has an automobile business in Sacramento.

Mrs. Ella Blake of the golf course road has been in the Tahoe Forest Hospital. The nature of her illness is not known.

Joby Lewis' brother, Eddie, and his wife and two children, who have been familiar figures at Cal-Vada Lodge during the summer are off for their home in Detroit, but hope to be back in early spring.

Well, next door to the Blairs' cottages I am told that people by the name of Mullberry and Leaking are building a store and cabins. Don't know what kind of store yet. This is in Kings Beach.
the name Mulberry and Leaking are building a store and cabins. Don't know what kind of store yet. This is in Kings Beach.

Kay Blair, Ira's wife, that is, is so appreciative of the way everyone took care of him while she was on the sick list. Kay, we are very glad to say, is just about a hundred percent again, and promises not to get sick again.

The Pine Cone on the highway, has been closed, and the owners, Mr. and Mrs. Bob Davis, have left for Bakersfield.

The Joe King party that are way off in Canada hunting buffalo, haven't had any luck yet. Could have told them where there are a lot of them just west of Winnipeg, the only hitch would be they are on a reserve.

Mrs. Joyce Ridinger, publicity agent Beverly Hills, aunt of Beverly Swink of the golf course, Kings Beach, is here for quite a stay, and there is a possibility of her staying here for a few months, we hope, anyway. She is trying to get a nice little place to live at Crystal Bay.

The Women's Club of North Tahoe held their first meeting at the Kings Beach School last Monday, with a potluck dinner. They are out to do big things this year, says Sophie Levra, president.

Had a phone call from Mrs. Maude Dixon, sister-in-law of ours, who has been very sick and has just returned to her son's home in Glendale. She was unable to make the usual trip to the lake, which she had done every summer since 1945. It is hoped there will be improvement until she is completely recovered.

Fred Schultz of Siesta Pines resort, Kings Beach, tells me he and Mrs. Schultz had as their visitors none other than Fred's mother and dad, Mr. and Mrs. Fred and Sophia Schultz, from San Clemente, also his aunt and uncle, Mr. and Mrs. Charles Stetson of Los Angeles. All stayed for just about a whole week and they sure enjoyed our delightful weather. Fred says they wish they could have stayed all the time.

Harriet Caesar of Caesar's cottages had a nice party during the past weekend. Her brother, Lloyd Lostus and his wife, his son, and future daughter-in-law, they were up to try their hand at deer hunting but no luck, so will be back to try again this weekend.

Russ Farley and young Denny were up again from Sacramento the past weekend, leaving Dee at home this time. Russ says great preparations are being made for the forthcoming deer hunting trip in Nevada. Among the participants are Joby Lewis, Russ Farley, Fred Baker, Sam Faulkner, and maybe me, and two friends from Sacramento. What a motley crowd, huh?

GOOD NEWS: Mrs. Abbott informs me there will be a great big smorgasbord at the Community Methodist Church on Bear street this Sunday afternoon starting at 4:30 p.m. There will, of course, be a real nominal charge, but what you get for your money at these affairs is always amazing to those that partake. So come and be surprised too, won't you?

We enjoyed the most delicious chicken dinner at Dick and Ruth Lavery's Monday night, on the occasion of their anniversary. Others present were Charles and Mrs. Warren of Sacramento, Mr. and Mrs. Clair Benjamin, late of Sacramento, presently of Kings Beach.

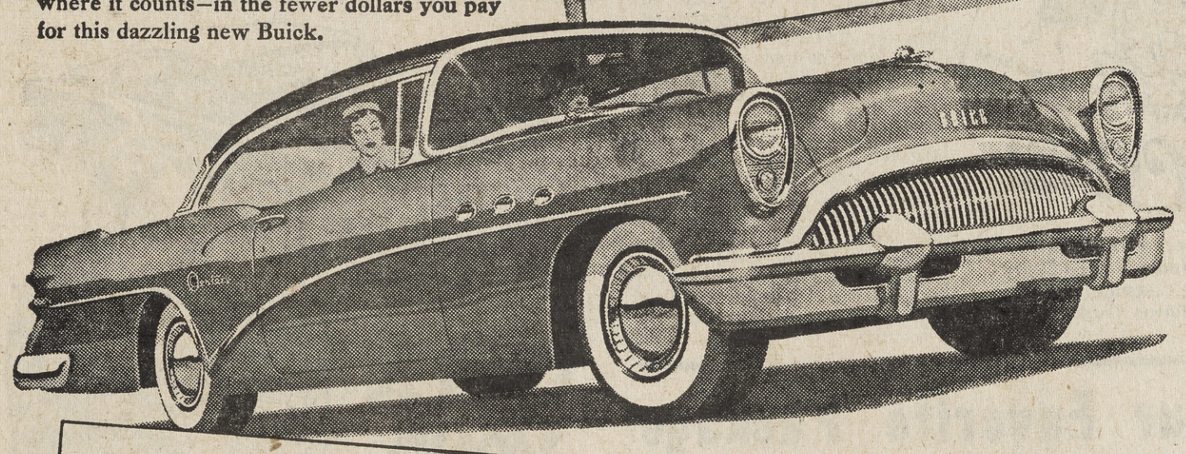
Want to make the Beautiful Buy?

You can't beat success in an automobile for proof of value. So take a look at the national sales figures and you find this fact: Buick today is outselling all other cars in America—*regardless of price class*—except *two* of the so-called "low-price three." And when you look at the "tomorrow" styling of this glamorous beauty—when you try it for V8 power, for room, for comfort, for ride—and when you check its low delivered price—you have all the reasons for Buick's soaring success.

Want to get the Top Allowance on your present car?

The more cars we sell, the better deal we can make with you. So with our tremendous volume right now, we can offer you more money as an allowance on your present car when you trade it in for a new Buick. That means we're passing our success on to you where it counts—in the fewer dollars you pay for this dazzling new Buick.



Want to be sure of a High Resale Value?

You can see for yourself that Buick today is graced with modern beauty—year-ahead styling that's bound to stay fresh and new-looking for years to come. It's what the other cars will come to in the future—even to that broad panoramic windshield that's on every new Buick today. So you can be sure that you'll trade high later when you're ready to resell the Buick you buy right now. Come in—this very week—and make the buy of the year in Buick. You'll find you're way ahead now—and at trade-in time well in the future.

Now's the time to make your buy because—

NATIONAL FOREST CHRISTMAS TREES FOR SALE
Area "B,", Alder Creek Sale

Oral auction bids will be received by the Forest Supervisor or his authorized representative, U. S. Forest Service, at Sierraville, California, beginning at 3:00 p.m., October 13, 1954, for 5000 white and red fir Christmas trees, estimated to be 85% low quality and estimated to average 5 feet in usuable length, located on an area of about 400 acres within Sections 22, 23, 24, T 20 N, R 16 E, MDM, Tahoe National Forest, California. Each bidder, as a qualification to participate in oral bidding must submit a sealed bid, accompanied by the required deposit, tothe above address prior to 3:00 p.m., October 13, 1954. Sealed bids will be considered the equivalent of an oral bid and will be posted at the beginning of the auction for the information of all bidders. At the close of the auction, the highest bidder will be required to confirm his bid by signing a bid form made out in accordance with his highest bid.

No bid will be considered which is less than $0.33 for red fire and white fir per merchantable tree, In addition, the purchaser will be required to make deposit for reforestation and other silvicultural work on this sale at the rate of $0.22 per tree for the total cut of trees merchantable under the terms of the Administrative Use Agreement.

Trees cut and paid for at the bid rate shall not exceed 5000 by more than 10%. Any excess, or any trees cut in violation of the cutting rules in the agreement, shall be paid for at the rate of $3.00 per tree as liquidated damage. $2000.00 must accompany each bid to be applied to the purchase price, refunded or retained in part as liquidated damages according to the conditions of sale. Remittances should be made payable to the Treasurer of the United States and must be in the form of cashier's check, money order or certified check. A surety or cash bond in the amount of $500.00 plus payment in full for 5000 trees at the bid rate will be required before cutting begins. All trees must be cut and removed by November 15, 1954. The right to reject any and all bids reserved.

The purpose of making this sale is to improve the growing conditions of young stands.

Before bids are submitted, full information concerning the trees to be cut, conditions of sale, and submission of bids should be obtained from the Forest Supervisor, Nevada City, California, or the District Ranger, Sierraville, California.

NATIONAL FOREST CHRISTMAS TREES FOR SALE
Area "A," Alder Creek Sale

Oral auction bids will be received by the Forest Supervisor or his authorized representative, U. S. Forest Service, at Sierraville, California, beginning at 2:00 p.m., October 13, 1954, for 5,000 white fir Christmas trees, estimated to be 90% low quality and estimated to average from 4 to 5 feet in useable length, located on an area of about 240 acres within Section 14, T 20 N, R 16 E, MDM, Tahoe National Forest, California. Each bidder, as a qualification to participate in oral bidding, must submit a sealed bid, accompanied by the required deposit, to the above address prior to 2:00 p.m., October 13, 1954. Sealed bids will be considered the equivalent of an oral bid and will auction for the information of all bidders. At the close of the auction, the highest bidder will be required to confirm his bid by signing a bid form made out in accordance with his highest bid.

No bid will be considered which is less than $0.28 for white fir per merchantable tree. In addition, the purchaser will be required to make deposit for reforestation and other silvicultural work on this sale at the rate of $0.22 per tree for the total cut of trees merchantable under the terms of the Administrative Use Agreement.

Trees cut and paid for at the bid rate shall not exceed 5,000 by more than 10%. Any excess, or any trees cut in violation of the cutting rules in the agreement, shall be paid for at the rate of $3.00 per tree as liquidated damage. $2,000.00 must accompany each bid to be applied to the purchase price, refunded or retained in part as liquidated damages according to conditions of sale. Remittances should be made payable to the Treasurer of the United States and must be in the form of cashier's check, money order or certified check. A surety or cash be cut and removed by November 15, 1954. The right to reject any and all bids reserved.

The purpose of making this sale is to improve the growing conditions of young stands. Before bids are submitted, full information concerning the trees to be cut, conditions of sale, and submission of bids should be obtained from the Forest Supervisor, Nevada City California, or the District Ranger bond in the amount of $500.00 plus payment in full for 5,000 trees at the bid rate will be required before cutting begins. All trees must Sierraville, California.

IT'S WISE TO ADVERTISE!

MEMBER MISSION PROGRAM SLATED AT TAHOE CHURCH

KINGS BEACH—Strengthening the devotion and participation of year-round residents of the North Tahoe area will be the objective of the "Mission for Members" program of the church during October, the Rev. A. B. Covher announced today.

The program of preaching and visitation will begin Sunday, October 3, the World-Wide Communion, an annual interdenominational event.

The climax will be on October 31 with the signing of covenants pledging regular church attendance, family worship, daily personal devotions and Christian witnessing. The pastor's messages on each respective Sunday will be augumented by a five minute talk by a layman of the church.

The local commission on membership and evangelism have provided special invitations which will be delivered in person by a corps of visitors including the following community leaders: Mesdames McPhearson, Chastain, Plunkett, Burroughs, Madden, Ashton, Barkhurst, Campbell, Kornazawich, Sipes, Skaggs, Free, Mr. and Mrs. Sam Faulkner, and Mr. and Mrs. E. J. Stokes.

This will be the first winter the Kings Beach Church has had full-time pastoral leadership. Preparations in the local church have been under way for the past month by Reverend Covher and the various commissions, to make the church a veritable behive of activity and community service throughout the winter.

Sunday evening services of song and discussion will continue at least throughout October at 7:30 p.m. Adult choir rehearsals have been resumed every Friday from 8 to 10 o'clock, with a coffee break at mid-time. Last Sunday featured a sermon on Christian Education, in which a significant statement by Aristotle formed the text: "Give children an education without religion and you are raising a generation of clever devils." The pastor pointed out that over a thousand youths every day are taken by police as "juvenile deliquents." At the climax of the hour the Church School Teachers and the Parents of the congregation received a special charge by the pastor and responded by dedicating themselves to the high tasks of Christian Education.

Friends of the church who are not members will be given opportunity to inform themselves and come into the church during the ensuing month, as the "Mission for Members" program progresses. The World-Wide Communion observance next Sunday at 10:45 a.m. will be open to communicants of any faith, whether members or not. All are urged to be in church somewhere that they may join in this significant World-Wide Communion observance.

Forest Service Man Is Given Promotion

L. A. Rickel, forest supervisor of the Tahoe National Forest, announced today the promotion and transfer of Chief Clerk Harvey Mack to the position of administrative officer, Modoc National Forest, with headquarters at Alturas.

Mack has served on the Tahoe Forest in his present capacity since October of 1952, being transferred here from the San Bernardino National Forest. Mack has had 13 years of service in various capacities from a lookout, through foreman, fire control assistant and thence to administrative work. Previous service was on the Cleveland and San Gernardino forests.

SMORGASBORD TO BE HELD AT LAKE

KINGS BEACH—The many friends who attended the last smorgasbord dinner served by the Kings Beach Community Methodist Church, will be glad to know that the event will be repeated this next Sunday, October 3 at 5:30 p.m. Chicken, swiss steak, and turkey will be on the menu. A song-fest will follow at 7:30, with a discussion period led by the minister, Rev. A. B. Covher.

The ladies of the church have already paid into the building fund over $500 from earnings since last spring. The cooperation of the community in these events is much appreciated, and helps to strengthen and spiritual resources of the North Tahoe area, Rev. Covher said.

Tahoe City residents leaving the lake last week are Mr. and Mrs. A. J. Rodriques who went to Auburn, Mr. and Mrs. A. B. White, now at home in Sacramento, Ernest Hoerdler who expected to go to Covina for the winter, and the Bert Scotts who returned to Piedmont.

Mr. and Mrs. Grant Lowry who have the L Trailer Court at Kings Beach expect to live at Ancina until the early part of next year and the Chas. Nordstrom address is no longer at Kings Beach but San Francisco.

SHE'S TAKING NO CHANCES!
I'm a bargain hunter — but I watch my step when I buy—
DRY CLEANING

SHE'S perfectly right! A so-called "bargain" "DRY CLEANING" is is almost never a bargain . . . She has a sense of values in all things. She knows the importance of good clothes. She knows that "bargain cleaning" is false economy and that good cleaning is a sound investment. She knows about US. And we know about her— for she typifies our customers.

SUMMIT SCENE

by FRAN COUILLARD

"Whoa, there," cried Lonnie Goss as he grabbed baby daughter Nancy by her small shirt collar and stood her on her feet. Nancy had just finished riding a horse (which is one word she can say in her young vocabulary). We are not insinuating that Nancy takes to the trail yet but were understandably astounded when we learned that she had been riding all summer and her but 21 months old at the present writing. The large Soda Springs horse corrall (adjacent to the Snow Flake) is the scene of Nancy's operations, and the incident just described comes under the heading of actual fact—for Nancy, after riding in her own private horse show, decided to dismount herself. Proving that she is a true equestrian she threw her leg over the pommel and started to dismount in regular western style when papa, Lonnie Goss, disgustingly stopped the performance by interrupting her perfect dismount! Shetold me all about it in her lingo, interpreted by Lonnie, but I got the general idea!

Another attraction added to our Great White Way (that strip between Summit and Cisco which localites call Broadway) is (O. G.) Wofford's huge new neon sign which guards his motel at Kingvale. We were there for the "hanging" and whilst no champagne was used in the ceremony—the hangee dangled to perfection and the Wofford Motel promptly filled up. A small sip of ale concluded the ceremony. And whilst we are on the subject O. G.—son Robert, accompanied by Sheldon Jones took off for Arizona where the two expect to join a branch of the service come before too long.

Meet Soda Springs newest citizen —Suzanne Denise Aro—weight 7 pounds 4 ounces—born September 10 to proud Betty and Edvi, and little sister to Lynne. Keeping up with our "hatched, matched and dispatched" records is not too difficult in a small populated area—but I am chagrined to learn that never did I mention Carla Jeanne and her now 4 months old. Carlo is also a younger sister—to one named Susan Rowton and last weekend she visited Grandma and Grandpa Goldie and Ralph Rowton at their Soda Springs Service Station. Papa and Mama Larry and Mert Rowton were happy to introduce Carla to the scene of their courtship of a few years ago.

Rolling to the west we find that Dotty and Bert Bacon took advantage of the slackish season between Labor Day weekend and hunting season opening—and hied themselves to Texas to visit a son in the service. Whilst we sit in their store news gathering along comes Sherman Reams. Sherm tells us that the Blue Canyon Forest Service Guard station has been robbed and that Russell Jueck (formerly of Soda Springs) took a $100 cash loss besides losing his gun and wrist watch.

Becoming disgusted with our lack of state patriotism (and we a native daughter) we took ourselves off to the state fair at Sacramento for a few days and enjoyed the exhibits and the heat (which incidentally we didn't have up here at the time). Thus becoming fair-minded we paid the Washoe County exhibits a visit and were delighted to sit in an exhibitor's stall with Bert and Lydia Crampton while they extolled the monetary value of the Chinchilla exhibit they guarded.

The Bueks' (Carl and Gladys) driving around in their German Volks wagon tell us that their famous skiing son, well known to our area as "Mad Dog Buek"—otherwise Dick—is now at Fort Ord for basic training. They will use said wagon to visit Dick this coming weekend.

John and Eleanor Johansen move back into the center of the Soda Springs community again after spending the summer "caretaking" Ice Lakes. Eleanor celebrates by catching the Overland for San Francisco where she will vacation with her aunt at Ross, Marin County.

Jeannie Moriano's hill combing has resulted in some of the most beautiful pieces of twisted and gnarled manganita I have ever seen. Jean labors with tool kit and dangerous looking implements and drills as she puts bases on her finds. Just like any discoverer she refuses to let us in on her cache but in our travels (and even in State Fair exhibits of this type of decoration(we haven't seen such beautiful pieces—we reiterate!

The Stanley Waltons were up in the air last weekend. Said Stan—we now have a roof o'er our heads and we know what he means for t'was a batch of new shingles they put on their Soda Springs vacation spot. Adjacent to the Waltons—we noted another lighted cabin—the Bourdets (Irene and Frank) spent the weekend putting in supplies to last them over deer season.

Velda Parsons — recuperating nicely from her serious operation of several weeks ago—celebrates her birthday. Homer and Mabel Bales of Kingvale say goodbye to their mountain cabin and prepare to finish their new home at Bowman, started last year. We guess we'll rattle around in the Kingvale track (with the exception of weekends) for a lone period.

The Donner Summit Post, No. 811 (Tarold Eugene Jones Post) gets ready for their installation with their regular annual buck stew—this year to be held at Beacon Hill Lodge on Saturday evening, October 9. Yep! Bill Rutherford will prepare it and cook it. (I remember last year's succulent whole small onions; tiny, sweet turnips, whole carrots, celery and all the ingredients that go to make a perfect stew—besides that special tang of unknown seasoning that Bill refuses to divulge.) New officers to be installed are commander, Milton Hogle; first vice, Tommy Bonano; second vice, Tony Rogina; adjutant, Bill Rutherford (third time elected); finance office, Chuck Reynolds; service officer, Elmo Moriano (also elected for the third time); sergeant at arms, Richard Ingraham; historian, Virgil Weldon; chaplain, Milt Avila. Incidentally I learn that five new members have been added to this highest (in elevation) post within the past ten days!

A letter from our senator, Harold (Bizz) T. Johnson states: "Since it a short time before the legislature will convene in regular session, I wish to remind you that if you are contemplating any legislation you wish me to handle for you, I would appreciate hearing from you as soon as possible.

"I would like to introduce the bills during the early part of January." Was quite astounded when Ken Heimbach of Rainbow Tavern stated that he is completely booked for New Years—already yet! Hope this is a criterion of coming winter business!

John Peterson (Pete) and wife, Hazel, put off their vacation until the present time to take advantage of the deer season. "Up for three weeks," evults Pete (of the S. P. Company), as he moves his gear into his Soda Springs cabin.

And speaking of the S. P. Company, we are reminded that Walt Simmons brings up steel gang No. 1008 to repair equipment at Troy. We meet all of our old friends and Walt reminds us thatfastly approaching is the low tides at Pismo Beach (where Walt resides), which means we are getting the itch to go clam digging. If anyone else is a "digger" we'll tell you that the real minus tides are in the second week in October—starting on the 11th and really ebbing on the 14th. After the 14th, says our chart—the minus is after sundown—which i sa prohibited time for claming. Will we see you there? Or—would you like to come along with us? Also we welcome back (in the steel gang) our friend Fred Beck who brings himself along a new wife this time.

Minor casualty! Goldie Rowton smacks her head on an open truck door and gives it a deep cut which necessitated stitching. The offending door, not satisfied with giving Goldie a good smack on her forehead—swung merrily back on its hinges—back in the breeze and gave her a clout on the back of her head before she had time to recover from her daze and get out of the way. Needless to say—Goldie has a headache and a bad one!

Wing beats of insects vary with the species and may be as rapid as 350 strokes a second.

Mrs. Buell Presides At County T. B. Session

A meeting of the Nevada County Tuberculosis and Health Association was held Monday evening, September 20, in Nevada City, with Mrs. T. T. Buell presiding.

Plans for the annual Mobile X-ray Survey to be held in Truckee on October 15 was among the important matters discussed at the session. Christmas seals finance the annual free chest X-rays.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

Grand Chief Of Lodge Is Welcomed Locally

Summit Temple No. 79 with Virtus Temple No. 47 of Colfax comprising District No. 8 welcomed Faye Harwick of Redlands, grand chief of the Pythian Sisters of California on September 23 with Florence Rankin, grand senior of Bakersfield, Myra Sadler, grand junior of Santa Mario, Edith Hemenway, grand manager of San Jose.

Miss Caroline Henry, Beverly Wilson and Paul Griffith were heard in several vocal selections, accompanied at the piano by Esther Rich, preceding the dinner served in the Methodist Church.

Edith Welch, district deputy, opened the meeting at 8 p.m. followed by the attractive drill of the Pythian Sunshine Girls. Judy Stewart assisted by the Sunshine Council staff made a presentation to their grand chief and the Summit's Temple degree staff under the supervision of Captain Hazel Ellis exemplied their floor work.

At the close of the important session Wilma Johnson, Alice Spratt, Ella Waters and Edith Welch comprised the refreshment committee.

TOO LATE TO CLASSIFY

LOST: Small female cat, long haired, buff colored, vicinity Granlibakken Ski area, three weeks ago; name Fluffy. Childs' pet. Call Tahoe City 369-W after 6 or Truckee 76, collect. Reward. s23-30

MINOR ACCIDENTS REPORTED IN AREA

Isabel E. Cohn, San Francisco, suffered major injuries and was taken to the Tahoe Forest Hospital by Truckee ambulance last Thursday night when the car she was driving went off Donner grade and overturned near Donner bridge. Her companion and owner of the vehicle, Gertrude Grady, also of San Francisco, escaped with minor injuries.

The new car was demolished. Patrolman Martin Stureke said excessive speed was probably to blame.

Monday Adaristo Dominiquez of Truckee escaped injury when his car failed to make a turn three miles west of here and overturned. He was cited by Patrolman Roy Stallard for speeding.

Virgil Moody, Roseville and Lee Ross, Oakland, were not hurt in a rear end collision three miles west of here Tuesday afternoon. Moody was cited for speeding by Patrolman Carroll Maynard.

Party Day—

Diane, daughter of Mr. and Mrs. D. McGihon was feted at a party, given on Saturday, September 25, when she received gifts and refreshments were served to the group.

SUIT FILED AFTER CHARGE REDUCED IN DRUNK CASE

TAHOE CITY—Charges of drunk driving against Mrs. Helen Duffy of Tahoe City, resulting from an accident in which three small children were injured recently when struck by the defendant's car, were reduced to reckless driving when she appeared in the court of Judge Harry Charrison last Saturday.

Mrs. Duffy was sentenced to pay a $250 fine, her driver's license was suspended for 30 days and she was given a 60-day jail sentence suspended and placed on a year's probation.

The defendant was represented in court by her attorney, Francis Robichaud of Truckee.

The children were walking beside the highway near Agate Bay when the Duffy car allegedly left the road and struck them. The driver was arrested by State Patrolman T. F. Sheehan.

AUBURN—Guardians for two minors have filed damage actions aggregating $70,000 against Helen D. Duffy, charging her car struck the children on Highway 89 near Lake Tahoe last Labor Day.

John Kenny, through Michael Kenny, guardian ad litem, asks for $50,000 and Maureen Dixon, through Florence Dixon, guardian ad litem, seeks $20,000.

Pot Luck Supper For Rebekah Lodge Soon

Rebekah Naomi Lodge No. 2, held a regular meeting on September 22, with Dorothy Kay, past noble grand, presiding. Kathryn Gall, treasurer, was presented with a friendship gift by Pearl Heller, district deputy.

All members are urged to attend the potluck and meeting for the official visit of the district deputy, Pearl Heller, Wednesday, October 13.

Following the meeting refreshments were served by Bess Reid and Laura Harmon.

Faulkners Parents Of Girl At Hospital Here

Mr. and Mrs. Loman Faulkner of Kings Beach welcomed a daughter, born Wednesday at the Tahoe Forest Hospital. Dr. George Hahn was the attending physician.

The little girl has been named Julia Ann and weighed 8 pounds and 10 ounces at birth.

Commander Moves—

Cdr. H. R. Swenson who has been stationed in Tennessee has been recently transferred to South Carolina.

Stokes Go South—

Mr. and Mrs. Art Stokes have left for Shreveport, La., where they will spend the winter months.

Here for the Hunt—

James Leamon of Grass Valley of the state Fish and Game Department was here with his wife and son while checking deer at the opening of the hunting season.

Capital Guests—

Mr. and Mrs. Charles Leamon of Sacramento were guests of Mr. and Mrs. Robert Leamon during the weekend.

End Vacation—

Mr. and Mrs. R. T. Joslin are returning to their residence at San Francisco.

Vacation Begins—

Mrs. V. L. Deaton is vacationing from her position with the Pacific Telephone Co.

Summer Ends—

Mr. and Mrs. Joe McDonald who have spent the summer at Donner Lake, returned to Roseville.

Fresno Hunter—

Mr. and Mrs. John Fitzgerald of Fresno were guests of Mr. and Mrs. Cecil Edmunds at the first of the hunting season.

In Capitol—

Nels Espeland was in Sacramento on Monday, visiting the Capitol building and other places of interest.

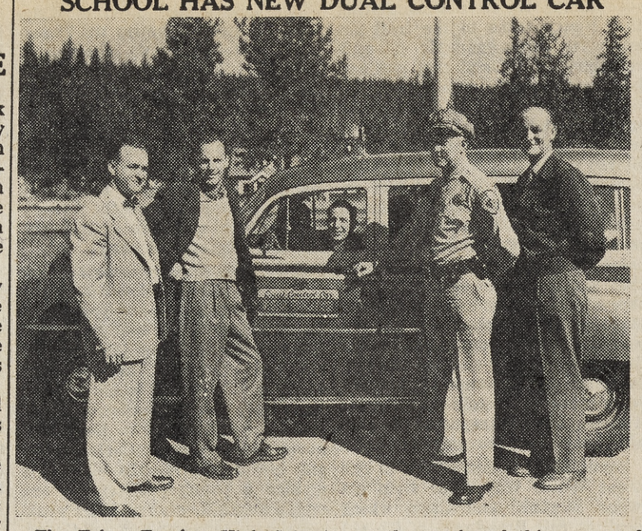
SCHOOL HAS NEW DUAL CONTROL CAR



The Tahoe Truckee High School recently purchased this new dual control car which will be used in the driver education program in the district. Pictured in the seat of the vehicle is Hugh J. Smith, who will be the instructor. Others pictured (from left to right) are Vern C. Olson, CSAA district manager; Conrad Briner, school vice-principal; William Gautsche, California Highway Patrol officer and Everett V. O'Rourke, district school superintendent. —Photo Courtesy CSAA

SAFE RECOVERED ON DATE OF ROBBERY

Two years ago to the day that a safe was stolen from the Stop and Shop Market of Kings Beach, it was recovered by a county employe, and turned over to Richard A. Lavery, constable of Kings Beach. It was unearthed just off the Brockway cut-off where it had been covered up for two years.

The $700 in cash was missing, but records, papers, a money order for $20 and a fifty-cent piece was found intact, to the surprise of the owners, Mr. and Mrs. Bill Mizner.

Soon after it was lost a tree had been cut down only about five feet away. This time a cat cutting a new road pushed it out of its hiding place, thus ending the mystery of the missing safe.

Mission Program For Church Is Outlined Here

Rev. Wesley Osman of the Methodist Church has outlined Sunday services for October in observance, with 350 Methodist churches of the Mission to Our People. The chosen sermon titles for the month are "World Wide Communion," to be heard on October 3, "Why I Go to Church," October 10, "Worship in the Home," October 17. On Covenant Sunday, October 24, "Christion Witnessing," will be the theme.

Rev. Osman said that the services are being prepared as a reminder to every person making a forward step in regular church attendance, family and daily devotion, Christian witnessing.

Dodd To Appear On Speakers Stand At Meeting Of Realtors

KINGS BEACH — Recognition was given this week to the Placer County Real Estate Board with the announcement from John Jewett Garland, Los Angeles, program chairman of the California Real Estate Association, that M. H. Dodd, Kings Beach, a member of the board has been selected to appear on the program of the golden anniversary convention of the association in San Francisco beginning October 10.

Dodd will appear on a section of the convention program on Tuesday, October 12, patricipating in a "Resort Owners and Developers Conference."

"We are honored to have this recognitoin given local realtors," Harry Stubley, vice-president of the local organization stated. "We have taken an active part in building up higher standards of business in this community and our members have been active in assisting with many civic events. We have been emphasizing participation of our realtors in all activities helpful to the community and we believe that many of them are well qualified to accept such responsibilities as are involved in taking a prominent part in the state convention."

WEDDING DATE

Mr. and Mrs. Carl Smith last Saturday observed their 21st wedding anniversary at their summer home on Donner Lake. The Smiths reside at San Francisco. They had as their houseguest during their visit here Douglas Aspland.

Joint Meeting Of Two Clubs Is Held Here

Members of the Truckee Rotary and Wyethia Clubs held a joint meeting Monday night at Donner Lake Lodge with Rex Thomas serving as program chairman.

The Wyethia Club provided the program including dances by Karen Smart and Janet Allen; songs by Jerry Quam, accompanied by his sister, Dorene.

The Rotary donated $20 to the Wyethia building fund. Two visiting Rotarians were Ray Harsten of Pleasant Hill and Olin L. Scrivens of Hermosa Beach. Mrs. Carroll Maynard served as song leaders and Alvah Hooper presided.

The Rotary will not meet Monday but will join with the Lions Club next Wednesday evening.

To Attend Meet

On Saturday, October 2, representatives from both the MYF and the teachers of children in Sunday school will go to Fallon to gain ideas that will enable them to better do their job. Among the youth who will be going will be Rosalie Kaspian and Diane McCrindle. Others have indicated that they may go also. Among the teachers who may attend are Mesdames Irene Englehart, Muriel Frey, Marion McGihon, Ileen Risden, and Beverly Wilson.

WOODLAND MAN IS HELD AS VAGRANT

Frank Hernandez, 36, who claims he operates a sandwich shop in Woodland, was being held in the Nevada County jail on a vagrancy charge following his arrest here Monday morning by State Patrolman Carroll Maynard, who suspected violation of the Mann Act.

Also held pending investigation by the immigration officials is a 16-year-old Canadian girl, who, officers said was in Hernandez' company.

Hernandez was arrested after Maynard spotted the girl hitchhiking near Donner Lodge. He questioned her and learned that she tired of waiting for Hernandez, whose car had broken down and had started to hitchhike. Later, the officer said, she admitted accompanying the man from Chicago.

A third passenger in the car, Harvey Willette, a hitchhicker, was held briefly and released.

Relatives From Ohio—

Mr. and Mrs. L. Carutcheberry had as their guests last week her brother and sister-in-law, Mr. and Mrs. Harry Grisby of Akron, Ohio.

Stops Here—

Mr. and Mrs. Don Sites had Mrs. Norma Highfill as their guest while she was en route from Montana to visit with Mr. and Mrs. Tom Highfill at Concord.

EDGAR RICE BURROUGHS' Tarzan

STERLING SHEA MANAGED TO BOARD THE GETAWAY PLANE, BUT WHEN GEORGIE TOOK OFF, TARZAN WAS LEFT CLINGING TO THE FUSELAGE!

FINALLY, WITH STERLING'S AID THE APE-MAN CRAWLED INSIDE THE PLANE. "TAKE THE CONTROLS," HE PANTED, "WHEN I GET FEARONS!"

GEORGIE HEARD ONLY A LOW GROWL, AND THEN, TERRIBLE, STEEL-LIKE FINGERS GRIPPED HIS THROAT!

FIGHTING WITH ALL THE FURY OF A TRAPPED BEAST, FEARONS LASHED BACK AT TARZAN--

BUT HE WAS NO MATCH FOR THE EXPLOSIVE VIOLENCE OF THE JUNGLE LORD.

DICK VAN BUREN JOHN CELARDO 10-3-1250

TO WIN THE ATTENTION OF GIRLS AS BEAUTIFUL AS THESE YOU'D THINK IT WOULD TAKE A TERRIFIC COMBINATION OF MASCULINE ATTRACTIONS -- WOULDN'T YOU?

WELL, FOLKS, YOU COULDN'T BE MORE WRONG! THIS IS WHAT'S MAKING THOSE GORGEOUS THINGS SPARKLE!!

THIS BEIN' THE ONLY ISLAND IN THE WHOLE BLARSTED PACIFIC I NEVER HAD NO DATE ON...

..THE WIMMEN HERE BEIN' COLDER THAN A PENGUIN'S BEAK, I THOUGHT I'D--HEY! (CHOKE) WHAT'S HAPPENIN' HERE??

YOU WIN, KIDS. I'LL TURN THIS SCOW AROUND AND HEAD BACK T' THE NEXT ISLAND.

THAT'S WHAT WE'RE AFRAID OF, OH, MALE!

USUALLY THIS IS THE TREATMENT I GETS AFTER I BEEN VISITIN' A COUPLE O' DAYS, BUT YOU GIRLS MUST KNOW SOMETHING!

WE (CHUCKLE) KNOW MUCH!

AND WOULD KNOW MORE!

THE NOTION KEEPS BOTHERIN' ME THAT THERE'S ONE THING MISSIN' ON THIS ISLAND. IT AIN'T BEAUTIFUL TOMATOES, OF WHICH THIS PLACE HAS GOT MORE'N ITS SHARE... THEN IT'S GOTTA BE (GASP)!!

MEN!! THERE IS NOT A SINGLE MAN ON THIS ISLAND, OH, DESIRABLE ONE! YOU, AS THE SOLE REPRESENTATIVE OF YOUR SEX, NOW BECOME A STATE MATTER!! AND I (SIGH) AM THE STATE!!

HAVE YOU SEEN THE **MASCOT** JUGHEAD HAS FOR THE TEAM?? A LIVE **PRAIRIE DOG!**

WE'RE GOING TO LEAD IT AROUND THE FIELD AT THE BIG GAME TOMORROW!

I'VE GOT MY PRAIRIE DOG TIED TO THE GOAL POST!

WAIT'LL YOU SEE HIM! HE HAS SOFT FUR...BIG BROWN EYES...

AND SHARP TEETH!

OUR MASCOT! MY PRAIRIE DOG! HE CHEWED HIS LEASH!

MAYBE HE HEARD ABOUT THIS TEAM'S RECORD!

BUT WE'VE **GOT** TO FIND HIM FOR THE BIG GAME!

WHY? DID YOU HAVE A BET WITH HIM?

GIVE UP, **JUG!** HE'S HALFWAY BACK TO THE PRAIRIE BY NOW!

SNIFF! SNIFF!

NEXT DAY *Afternoon of the* **BIG GAME!**

...PROBABLY LOSE WITHOUT OUR MASCOT!

STOP SAYING THAT! YOU'D THINK HE WAS GONNA PLAY QUARTERBACK!

JUGHEAD! THE COACH WANTS YOU! YOUR **MASCOT** IS BACK!

THEY FOUND MY PRAIRIE DOG??

YEAH! ONLY YOUR MASCOT IS NOT A **PRAIRIE DOG!**

IT'S A **GOPHER!!**
